in spite of repeated efforts, by floating tenders. Subsequently, review of the Post Office was carried out, and it was found to be running at a heavy loss from its existing location. Since no suitable accommodation was available in AG Block I Vikaspuri, the Post Office was merged with Vikaspuri Post Office with effect from 1.6.2003.

(c) Presently, people residing in West Enclave, Pitampura area are availing Savings Bank facilities from Rohini Sector-VII Post Office and Mangolpuri 'N' Block Post Office which are located at a distances of 3 kilometres each and Maurya Enclave Post Office and Shakur Basti R.S. Post Office, which are located at 4 kilometres each, from West Enclave, Pitampura.

The requirements of AG-I Block, Vikaspuri are being catered to from the double handed sub Post Office already functioning 3 kilometres away at Vikaspuri.

Revenue Share Mechanism

1469. SHRI NILOTPAL BASU: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government have any assessment regarding the possible reasons for default in payment at prescribed rates;

(b) whether the differences in ADC for National and International call is the major reasons for this; and

(c) if so, after having settled past issues, whether TRAI and Government would be opting for a revenue share mechanism to eliminate possibility of under invoicing and under payment?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) The key reasons for default in payment at prescribed rates can broadly be categorized as follows:

(i) Issues of reconciliation;

(ii) Mismanagement and improper functioning by a licensee company.

(b) and (c) This matter is presently being addressed by Telecom Regulatory Authority of India which has issued a Consultation Paper seeking comments of the stakeholders on this issue. No final view has been formed in this regard.
